

# NQT AUTUMN FESTIVAL OF LEARNING

Come and join us for a whole day of inspirational learning and professional development.

Phase specific workshops and seminars will enable NQTs to reflect upon their current practice with colleagues and engage with research. As part of the NQT toolkit we will also be sharing proven practical strategies and techniques to support effective teaching and learning back in schools.

## Autumn workshops include :

- Effective Time Management
- Love to Investigate - Science
  - Mastery in Maths
- Art Attack - Getting to Grips with the Art Curriculum
  - Creating Enabling Environments in EYFS
  - Outdoor Learning in EYFS
- Building Language and Communication in EYFS
- Magpie Trail - come and look around our school.
